Matters
Arising

The Clerk reported that he had visited **Foundations Children and Family Service** and met the one 15 year old student who is currently there, he seems to be very polite and friendly but also very lively. The manager said that they have to complete a Regulation 44 document and visit each month and they had already received their first Ofsted visit which was classified as Good. The student voluntarily offered to make a cup of coffee and this was gratefully accepted by the Clerk It had just the correct amount of milk !!!

Mrs Worrell requested help as **the farm lorries** often have difficulties with **overhanging trees on the Mallows Green road** which means that some of their seed deliveries are being delayed. She was given one or two contact numbers at ECC to try and help.

The Chairman then suggested we celebrate our win in the RCCE Essex Village of the Year Competition where we won our category, this was combined with a celebratory drink and presentation of flowers to our **District Councillor Janice Loughlin** on her reaching a memorable birthday number and to thank her for all the energy and enthusiasm that she puts into representing Manuden and the Stort Valley Ward.... we all appreciate it and her greatly.

A little progress has been made on the **Village Welcome Pack** and **Volunteers** are still needed to assist residents having difficulties in the Village. **Jane Tresadern was co-opted** by the Council to replace our former Councillor Lizzie McLean who has moved to Stansted. Councillors acknowledged that the App **Flight Radar 24** is very useful in tracking flights around and over the village. Councillors were reminded to use the correct forms when writing to **Uttlesford Rangers** and Cllr Hardy agreed to tackle our **Village Signage difficulties**. Cllr Gooding reported that he had heard from Rissa Long that **the kerbing for the Northern end** of the village has been approved but was being held up by difficulties in establishing the legal ownership of part of the land.
