In Attendance: Mr C Bartram(Clerk)

D Cllr J Loughlin

C Cllr R Gooding

5 Members of the public

Apologies Cllr J Archer (Vice Chairman)

There were no Disclosures of Interest.

Minutes of
Previous
Meeting

The minutes of the previous meeting were approved and signed.

The meeting began with guest speaker **Sally Austin** explaining the role of the **Community Agent in Manuden and throughout the Uttlesford district**. She explained how the agents are able to visit the elderly and help them complete many tasks whilst in the safety and familiarity of their home environment.

The Council found the talk to be very informative, asked many questions and considered how the service could be of benefit to our parishioners.

Matters
Arising

Despite being contacted twice there was nothing to report on the **Foundations Children & Family Service** home and the results of their Ofsted Inspection (immediately after the meeting the Council heard that the owners have been on holiday and are still waiting to hear from Ofsted). Several Councillors then explained, to a member of the public, the reasons why The Council decided not to place an article in the Parish News about the home following the initial presentation by FCFS in September 2017, which was reported in the PC minutes.

Following this agenda item, all but one member of the public left the meeting.

Uttlesford officers are still working with the occupant of **4 Mailers Lane** to try to improve the state of the property. The only news that we have on **Gigaclear** is that there are now many applications for roadworks around the village so we are hoping that work will begin in the near future.

The Chairman thanked everyone who had taken part in the **Village clean-up** it was a great success, with a good turn out on the day. Many other villagers who could not be there on the Saturday were still keen to help and participated by cleaning a section of the village either before or after the allotted time. All were to be thanked. The Council were also keen to support the **Village Picnic** that will take place on the 12th May and will prepare a flower display for the church.

There is still no solution regarding the notice about parking restrictions on the **School Zig zags** and Cllr Gooding said he would try and help. The Council agreed to pay for a **First aid course** which Cllr Hardy is hoping to organise in June and irritations with the lack of progress were again expressed regarding the **Village signage for MVCC**. There was nothing to report on the **War memorial lettering**. The Council then agreed to pay for a free copy of the **Parish magazine** to all households in the village with details to be finalised with the publishing team

Other issues

Operation London Bridge was discussed and various ideas for it were proposed and considered The Council are supporting the local History Society in their plans for the **100th Year Anniversary of the ending of the First World War**. The Chairman agreed to represent the Council at a reception being held by Stansted Parish Council and Councillors were saddened to hear that the Mobile Library will no longer be visiting the village. Councillors then considered the possibility of entering the **Essex Village of the Year** competition following our good effort and success in 2017 and decided that perhaps we could do so.

Sub
Committee
Reports

The **Open Gardens subcommittee** reported that things are looking very positive for this year's event with three more gardens being on show.
ECC no longer have a statutory requirement to repair **footpath signs** but councillors were very pleased to record their thanks to the **Battlement Trust** for their help in replacing signs on the footpaths on their own land and the offer to help with equipment to replace signs on other footpaths.
There is a lot of interest being shown for this year's **Scarecrow Trail** but the organisers would like to hear from more families wishing to provide the actual scarecrows !
